HTML5 , CSS3 , SCSS/SASS , Tailwind Css , MUI , Javascript , React Js , Redux-toolkit,
Node Js, Next Js , Git / Git hub , Figma , Bootsrap

Experience

AVGUST 2024
NAJOT TA'LIM LLC, Tashkent — *Experimenter*

- Taught the basics of programming to those interested in programming.
- Gave several students HTML CSS and SASS skills
- In an important project, the API key was not working and it was because Prettier was not working properly. Problem solved.
